**AFFIDAVIT IN SUPPORT OF AN APPLICATION FOR A SEARCH WARRANT**

I, Marisol O'Leary, being first duly sworn, hereby depose and state as follows:

1. I am a Special Agent with U.S. Immigration and Customs Enforcement (ICE), Homeland Security Investigations (HSI) and am assigned to HSI in San Angelo, Texas. I have been so employed since January 13, 2003. As part of my duties as an HSI agent, I investigate criminal violations relating to child sexual exploitation and child pornography, including violations pertaining to the illegal production, distribution, receipt, and possession of child pornography, in violation of Title 18, United States Code, §§ 2251, 2252, and 2252A. I also investigate criminal violations relating to transferring obscene matter to minors, in violation of Title 18, United States Code, § 1470, enticement of minors, in violation of Title 18, United States Code, § 2422(b) and sex trafficking of a child, in violation of Title 18, United States Code, 1591. As part of my duties as an HSI Special Agent, I have gained experience conducting criminal investigations involving child sexual exploitation and child pornography, and have participated in the execution of several search warrants in such investigations. I have had the opportunity to observe and review numerous examples of child pornography (as defined in Title 18, U.S.C. § 2256) in all forms of media, including computer media.

2. As a federal agent, I am authorized to investigate violations of laws of the United States and I am a law enforcement officer with the authority to affect arrests and execute warrants issued under the authority of the United States. The facts in this affidavit come from my personal observations, my training and experience, and information obtained from other agents, law enforcement officers and witnesses. This affidavit is intended to show

merely that there is sufficient probable cause for the requested search warrant and does not set forth all of my knowledge about this matter.

3. I make this affidavit in support of an application for a search warrant for information associated with a certain Snapchat account that is stored at premises owned, maintained, controlled, and operated by Snapchat, Inc., a social networking company headquartered in Venice, California. The information to be searched is described in the following paragraphs and in Attachment "A." This affidavit is made in support of an application for a search warrant under Title 18, U.S.C. §§ 2703(a), 2703(b)(1)(A) and 2703(c)(1)(A), which requires Snapchat to disclose to the government records and other information in its possession, pertaining to the user or customer associated with the specified Snapchat account, seeking evidence of violations of Title 18, United States Code, §§ 1470, 2251, 2252, 2252A, and 2422(b).

4. Based on my training and experience and the facts as set forth in this affidavit, there is probable cause to believe that evidence relating to violations of Title 18, United States Code, §§ 1470, 2251, 2252, 2252A, and 2422(b) will be contained within the following Snapchat account belonging to Terrell Orlando Kinchen; **a/k/a Snapchat Vanity names: youngrell11 and trapboyrell59**. There is also probable cause to search the information described in Attachment "A" for evidence, fruits and instrumentalities of these crimes, as described in Attachment "B."

### **INVESTIGATION**

6. On or about July 7, 2016, San Angelo Homeland Security Investigations received information from Traffick911, a non-government agency created to locate and rescue child sex trafficking victims. Traffick911 reported that a 12-year-old female (here and after referred to as JaneDoe1) from Abilene, Texas had been reported by her mother as possibly being sex trafficked. JaneDoe1 had told her a sibling that she had been sold to older men in Dallas in exchange for money.

7. On or about July 20, 2016, HSI San Angelo learned that snapshots of a sexually explicit video of JaneDoe1 and an adult male, later identified as **Terrell Orlando Kinchen** had been distributed to several people on social media websites, and were provided to Abilene Police Department by JaneDoe1's mother.

8. On July 20, 2016, SA O'Leary spoke with JaneDoe1 and she stated there were several videos sexual in nature which had been made in or around Abilene, Texas. She identified the two adult men in the videos as **Terrell Orlando Kinchen** and **Troy Lee Applin**, both of Abilene, Texas.

9. On or about July 23, 2016, Abilene Police Department was provided evidence of two (2) short sexually explicit videos involving JaneDoe1. On August 4, 2016, an evidentiary copy of the videos was provided to HSI San Angelo, and reviewed by SA O'Leary on August 5, 2016. On August 5, 2016, SA O'Leary identified the sexually explicit videos as child pornography and having possibly been taken using the Snapchat application. On August 10,

2016, HSI attempted to preserve Snapchat accounts for Kinchen and Applin but could not do so without the exact vanity names.

10. On September 28, 2016, HSI San Angelo located a vanity name for Kinchen and preserved Snapchat vanity name: **youngrell11**. On October 24, 2016, SA O'Leary and APD arrested Kinchen on a federal complaint, charging him with Enticement of a Child. After being advised of this constitutional rights, Kinchen stated that the sexually explicit videos originated from Snapchat and were transmitted from Troy Applin's Snapchat to Kinchen's Snapchat and several other Snapchat users. On or about October 26, 2016, SA O'Leary found Snapchat vanity names for Troy Applin and Miracle Johnson and a second vanity name for Terrell Kinchen and on October 31, 2016, those Snapchat accounts were preserved.

11. On November 16, 2016, Terrell Orlando Kinchen and Troy Lee Applin, Jr. were indicted by a federal grand jury for the Northern District of Texas in Cause Number 1:16-CR-047-O for Sexual Exploitation of a Child and Aiding and Abetting in violation of Title 18, United States code, Section 2251(a) and 2.

### **SOCIAL NETWORKING SITES AND SNAPCHAT**

12. "Social networking" or "social network service" is a term used to describe applications or websites which focus on establishing networks or relationships among individual users based on interests or activities. These services typically consist of a personal online representation of an individual, often referred to as a profile, a list of other individuals with whom a person has common interests and are generally allowed to view their profile and other material, and a variety of other capabilities, such as the ability to upload and share images and videos. Newer capabilities allow access to the social networks via mobile devices such as

cellular telephones and the ability to upload real-time information to an individual's profile. Most, if not all, of the social networks are accessible via the Internet and allow a member to contact other members via electronic mail (e-mail), instant messaging, or comments placed directly to a member's profile. Normally, information posted by individuals to their own or another individual's profiles are not vetted for accuracy or content.

13. Snapchat ([www.snapchat.com](http://www.snapchat.com)) is a mobile phone application available through the iPhone App. Store and Google Play whose membership is free to anyone. The Application provides a new way to share moments with photos, videos and text. Snapchat enables users to take pictures and record videos then, if desired, add captions to them and send them to selected individuals.

14. Snapchat allows users to take pictures and videos called "snaps." Users can set a time limit, after which the picture or the video is removed from the Snapchat server and the recipient's device. This provides security for users who are concerned their images may be stored on the Internet or used without their permission.

15. Snapchat allows users to share their "stories". Users can also add the photo/video Snap to their "Story". Depending on the user's privacy settings, the photos and videos added to a Story can be viewed by either all Snapchatters or just the user's friends for up to 24hours.

16. Snapchat allows users to type messages to friends within the Snapchat app using the Chat feature. A user sends a Chat message to a friend, and once it is viewed by both parties – and both parties swipe away from the Chat screen – the message will be cleared. Within the Snapchat app itself, a user can opt to save part of the Chat by tapping on the message (text or

photo) that he or she wants to keep. The user can clear the message by tapping it again.

### **CONCLUSION**

17. Based on the aforementioned factual information, I respectfully submit that there is probable cause to believe that evidence will be found in **Snapchat account: youngrell11 and trapboyrell59**, and any other accounts and user names associated with Terrell Kinchen , and that those items will constitute evidence, fruits or instrumentalities of the enticement of a minor in violation of Title 18, United States Code, Section 2422(b), as well as violations of Title 18, United States Code, Sections 1470, 2251, 2252, 2252A and 1591.

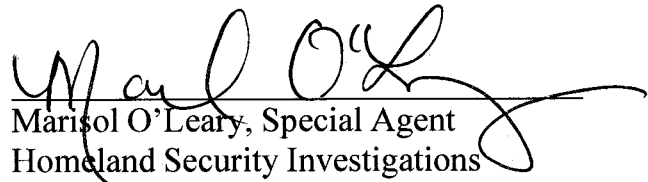

18. This Court has jurisdiction to issue the requested warrant because it is “a court of competent jurisdiction” as defined by 18 U.S.C. § 2711(3) and 18 U.S.C. §§ 2703(a), (b)(1)(A) & (c)(1)(A). Specifically, the Court is “a district court of the United States (including a magistrate judge of such a court) . . . that - has jurisdiction over the offense being investigated.” 18 U.S.C. § 2711(3)(A)(i).

19. Pursuant to 18 U.S.C. § 2703(g), the presence of a law enforcement officer is not required for the service or execution of this warrant. Also, because these records are not contained within a residence, and are located in a business that may be equipped to comply with this order at any time of the day or night, I request that the search warrant issued herein authorize its execution at any time rather than being required to be executed between certain specified hours.

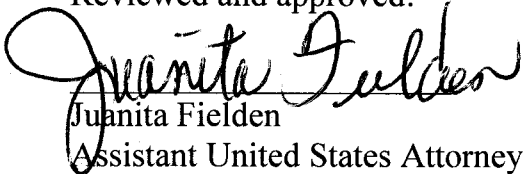

20. Based on my knowledge, training and experience, and consultations with other law enforcement experts, I know that the data exchanged through Kinchen’s account can remain

on the Snapchat servers for an extended period of time. I also know that Snapchat can extract the necessary data specific to Kinchen's account.

WHEREFORE, I respectfully request that the Court issue a search warrant for the account and records listed in Attachment "A" of this affidavit, for the items listed in Attachment "B" of this affidavit, all of which are incorporated by reference as if fully set forth herein.
